### \$48,000 in Three Years

BRIDGE received \$48,000 over the course of the past three years in private contributions. This is an incredible testament to the generosity of our new and old friends listed above. Thank you everyone! And special thanks to Fran McDonald, our initial funder who made our first years possible through his \$25,000 donation. Thank you Fran, and thank you to all the members of our community of donors!

Fran McDonald, initial funder.

### Testimony of a BRIDGE Volunteer

I cannot adequately convey what the summer of 2006 in Adaklu meant to me. It was an amazing opportunity to integrate myself into a beautiful community, one that did everything possible to make me feel welcome. I formed memorable relationships with the Adaklu Youth and Education Committee (AYEC), our caretaker, Cate Ametepe, and the entire Ametepe family. The summer was spent training AYEC by working on grant proposals, computer skills, paragraph writing, and learning English skills to effectively communicate the great work that they are doing for Adaklu. Real progress was made in setting goals, learning how to convey them, and identifying where AYEC was succeeding and where they needed to improve.

But as I look back over the summer, I remember most of all the people and the friendships formed. It was an incredible experience, and this doesn't even begin to cover it.
